A giraffe sculpture is the central focus, positioned vertically and facing right. It has a brown and white spotted pattern and is holding a large green leaf in its mouth. The background is a dark blue wall decorated with colorful, stylized tropical leaves in shades of green, yellow, and pink. To the right, the words "Halloween" and "Jungle" are written in a large, glowing, orange-outlined font. Below this, there is a circular logo featuring a white bat silhouette on a dark background, with the text "baskin robbins BROWN" underneath. In the foreground, several glowing jack-o'-lanterns with various faces are visible. The overall lighting is warm and festive, with a red neon light strip visible at the top of the display.
